

REMARKS

The Examiner indicated that Claims 11 through 14 would be allowable if certain objections to the drawings and the specification were addressed. The specification has been amended, and new Fig. 10 has been added, to address these objections. Independent Claims 21 and 22 have been cancelled. Thus, it is believed that the application is in condition for allowance.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Richard S. MacMillan', written over a horizontal line.

Richard S. MacMillan
